

Joni Ahlers

Joni Ahlers is the Business Development Coordinator for Segue Technologies, responsible for identifying, qualifying, building pursuits and assisting the VP of Business Development for Federal clients.

Joni joined Segue Technologies in 2018 and stands at the forefront of the fastest moving technology industry trends: Modernization & Agile IT Services. She is building a reputation for developing and supporting BD strategies that drive growth. Embracing the core values of Segue Technologies, integrity, innovation and growth; Joni supports Segue in the addressing the IT challenges of the DoD, supporting the Warfighter.

Joni started her career working administration in the medical field. She has previously worked for Middletown Cardiovascular Associates and Georgetown Hospital. Joni joined Brixey & Meyer in 2014 as their Firm Administrator running operations for 4 locations throughout Ohio. For many years, she had the opportunity to wear many hats and, as a result, has become very resourceful. She has a strong mentality and has acquired a very diverse set of skills. She is very passionate about establishing and leveraging relationships.

Joni is very involved in the Greater Dayton community and volunteers with numerous organizations. She is a member of the Associate Board- Boonshoft Museum of Discovery and an officer for Women with Heart Networking Group. She is very involved with Blue Skies for Good Guys and Gals Warrior Foundation 501c3, which hosts over 50 Combat Injured/Purple Heart Warriors and Fallen Hero/Gold Star Families over the course of 4 days providing enriching, life changing experiences that facilitate new friendships and emotional healing and bonding. Joni is an avid member of AFCEA and is the Vice President of Programs. She has taken leadership positions previously in the Dayton-Wright AFCEA chapter including chairing the annual Valentine's Ball/Spring Event. Bringing government and industry together is the only way our future will continue to succeed in positively impacting the warfighter.

Joni is very passionate about creating lasting memories, traveling, and spending time with her husband Brent and son Caleb who reside with her in Springboro, Ohio.
